

WE ARE SPIRITUAL BEINGS

by *Dylan Abraham*

We are all spiritual beings,

For those of us who cry,

Having that spirit,

That reigns on high.

Prayer and faith,

Can go a long way,

Practice both,

Every day.

To be spiritual,

Makes things fine,

Getting yours,

Getting mine.

A spiritual presence,

Is with us all,

Listen closely,

Hear the call.

So being spiritual,

Is good for us,

Gives us hope,

Makes things just.
