

# THE MAGIC OF CORNUCOPIA

The magic of cornucopia,

Serves the people well,

Many magic things,

To do and to tell.

Whether it be art,

In many forms and ways

Or working on the computer,

Magic day by day.

The magic of conversation,

Or sitting having fun,

The magic of cornucopia,

Has only just begun.

So stop on by and visit,

You will truly see,

That the magic of cornucopia,

Is there for you and me.
